

Today we interviewed Father Basil for our R.E. topic 'Vocation and Commitment'. To be a priest, you have to give up many things to serve God. We interviewed Father Basil to dig deeper into an understanding of a priest's Vocation and Commitment. We do understand that there are many risks along the way. For Father Basil being a priest for 45 years, he understands what it is like. We had an amazing opportunity interviewing Father Basil as he is a fascinating man who can be listened to for a very long time.
