

Literacy

We will be learning to write ...
Instructions.

Setting and character descriptions.

TFW will be used to encourage children to recognise features of a text with the aim of the children incorporating these features in their writing. We will also be looking at improving our sentences by using adjectives and adverbs.

In our grammar work we will be looking at apostrophes in contractions and lists as well as for possession.

Ways to help at home

- encourage your child to consistently use the correct punctuation.
- Listen to your child read daily and ask them questions about the text.

Mathematics

We will be: -

- Children will learn to use appropriate standard units to estimate, measure and compare length/height in any direction (m/cm); mass (kg/g); temperature (°C); capacity (litres/ml) to the nearest appropriate unit, using apparatus.

- Children will learn about patterns and sequences having opportunity to create their own with mathematical objects and numbers.

Ways to help at home: Reinforce child's learning by using mathematical vocabulary at home. Practise 2, 5, 10 times tables.

RE

Our topics this term are:

Books: Thanksgiving and Opportunities.

The children will use role play, sequencing and writing to show feelings and demonstrate understanding.

Ways to help at home

Talk to your child about their religious education studies.

PE

Gymnastics and Hockey.

Swimming (20)

Ways to help at home

Encourage your child to be active.

Music

We will be learning songs for our class assemblies and the Infant music festival.

Computing

The children will make a presentation using their topic learning. They will add hyperlinks and sound and learn how to use effects and transitions for their presentations.

ICT: across the curriculum the children will develop their skills.

Ways to help at home

Discuss and practise e-safety and the importance of it with your children. Encourage your child to practise their keyboard skills on a computer.

The Magic Faraway Tree

Topic

Our topic will incorporate literacy, history, science and art and design.

We will be:

-In art and design we will be designing and making our own lands that may visit the Faraway Tree.

-In Literacy the children will be writing sets of instructions as well as character and setting descriptions about animals and their habitats.

-In science the children will be identifying living and non-living things, looking at different habitats, discussing why different habitats suit different animals, and describing how different habitats provide for the basic needs of animals and plants.

-in history we will be learning facts about Enid Blyton.

PSHE

- E-safety
- Staying safe

Ways to help at home

Take time to listen to your child about their school day.

Clc Maths

C-Reading 3d numbers, Partition 2d numbers, Understanding numbers to 20, Counting in 50s, 500s, 5000s, 1/2s

Learn Its - $5+4=9$, $5+6=11$, $6+7=13$, $8+7=15$, $8+9=17$

I-add 100s, Double 2d numbers, I know half of 30,50,70,90, Number bonds to next 10 eg $26 + 4 = 30$

C- Solving 2d-1d, 3d-1d, using objects to share and solve division number sentences.

Ways to help at home-practise the 'Learn Its' with your child.
