

Topic: Superheroes

You must complete **5** of the homework options.
This project is to be handed in :

Maths:

Look around you!
Where do you see numbers? What do you use numbers for?
Make a list of things that you see, things that you use and places you visit where you see or use numbers.

Geography:

If you were Eliot from 'Eliot the Midnight Super-hero' (our class reader) where in the world would you visit in your rocket?
Draw a picture of that place and write a short description to go with it.

RE:

Create a prayer thanking God for your own **real life** hero.
For example: a family member, Jesus, Florence Nightingale etc.

Science:

Design your own superhero suit.
Label the materials that your suit is made from. **Explain** why you have chosen those materials!

Research:

Research information about your favourite superhero.
Present the information that you have collected on a poster.

Free Choice box.

Art:

Design a badge / logo that your superhero would wear on their top.
