### Ways to help at home

Listen to your child read, even if they are a confident reader and discuss their reading.

Look at spelling & word endings/patterns.

### PE

#### Tag rugby

### Ways to help at home

Watch clips of a rugby game. Look at how the players move and their game strategies.

### ICT

#### Graphs

### Ways to help at home

List the ingredients that you would need to cook your own Christmas fare. Use a supermarket website to cost the ingredients then create a spreadsheet to work out the cost of your feast.

Maybe compare it to a typical Victorian Christmas fare.

## *Then & Now Part 2*

### Topic

- British historical timeline continued.
- Life of a poor Victorian child.
- Workhouses & poor law.
- Dickens's London
- Dr Barnardo & children's charities.
- Comparisons of Victorian Britain to now.
- Victorian art & recreation – needle point.
- Circulatory & respiratory systems.

### Ways to help at home

- Complete activities from your child's Learning Web homework sheet.
- Look at books from the library that were written by authors during the Victorian period.
- Discuss how Victorian life is different from today.

### PSHE

- Co-operation
- Friendship and working together
- Understanding and managing feelings
- Conflict resolution and problem solving
- Active listening
- Making and sustaining friendships
- Seeing things from another point of view
- What is bullying? (key messages, witnesses/ bystanders, the bully and the bullied) BASH
- Creating a safe school

### MFL

Names of French items.

A typical French Christmas

### Ways to help at home

Use Education City to consolidate and practise the skills learnt at school.

### Maths

- Decimals
- Fractions
- Written methods for: addition, subtraction, multiplication & division.
- Real life application.
- Measures and conversions
- Time, timetables

### Learn its

All multiplication tables up to 12. Randomly generated & answered quickly including corresponding factors. Prime, squared & cubed numbers.

### Ways to help at home

Learning times tables. Please ensure that your child can give you the corresponding division facts. Reading timetables, asking time related questions. Cooking and measuring items at home – length, capacity, weight.
