

Literacy

We will be learning to write ...

Newspaper reports

Labels, captions and lists

TFW will be used to encourage children to recognise features of a newspaper report with the aim of the children incorporating these features in their writing. We will also be looking at improving our sentences by using adjectives and adverbs.

In our grammar work we will be looking at apostrophes in contractions and possession as well as commas in lists.

We will continue to focus on spelling year 2 high frequency words.

Ways to help at home

-encourage your child to consistently use the correct punctuation.

RE

Our topics this term are:

Books: Thanksgiving and Opportunities.

The children will use role play, sequencing and writing to show feelings and demonstrate understanding.

Ways to help at home

Talk to your child about their religious education studies.

PE

Games and Hockey.

Ways to help at home

Encourage your child to be active.

Music

We will be learning songs for our class assemblies and the Infant Music Festival.

Computing

The children will make a presentation using their topic learning. They will add hyperlinks and learn how to use effects and transitions for their presentations.

Ways to help at home

Discuss and practise e-safety and the importance of it with your children. Encourage your child to practise their keyboard skills on a computer.

Land Ahoy!

Topic

Our topic will incorporate history, geography and art and DT.

We will be:

-In art and design we will be designing pirate ships and flags.

-The children will be writing labels and captions for their pirate ship pictures.

-In history children will be learning about famous pirates and pirate ships.

-In geography the children will be looking at a Caribbean Island to compare the similarities and differences with the UK.

PSHE

- E-safety
- Staying safe

Ways to help at home

Take time to listen to your child about their school day.

Mathematics

We will be: -

- Children will learn to use appropriate standard units to estimate, measure and compare mass (kg/g) and temperature.

-Children will learn position and direction.

-Children will be introduced to money in the pirate themed role play area.

Ways to help at home Reinforce your child's learning by using mathematical vocabulary at home.

CLIC - Maths

C-Reading 3d numbers, Partition 2d numbers, Understanding numbers to 20, Counting in 50s, 500s, 5000s, 1/2s

Learn Its - $5+4=9$, $5+6=11$, $6+7=13$, $8+7=15$, $8+9=17$

I-add 100s, Double 2d numbers, I know half of 30,50,70,90, Number bonds to next 10 eg $26+4=30$

C- Solving 2d-1d, 3d-1d, using objects to share and solve division number sentences.

Ways to help at home-practise the 'Learn Its' with your child.
