

Literacy

We will be learning to write ...

Sets of instructions

Setting and character descriptions.

TFW will be used to encourage children to recognise features of a text with the aim of the children incorporating these features in their writing. We will also be looking at improving our sentences by using adjectives and adverbs.

In our grammar work we will be looking at adjectives and adverb whilst concentrating on the correct spelling of many common exception words.

Ways to help at home

- encourage your child to consistently use the correct punctuation.
- Listen to your child read daily and ask them questions about the text.

Mathematics

We will be: -

- Children will learn to use appropriate standard units to estimate, measure and compare length/height in any direction (m/cm); capacity (litres/ml) to the nearest appropriate unit, using apparatus.

Children will begin to learn to tell the time o'clock, half past, quarter past and quarter to.

Children will begin to look at money and the value of coins.

- Children will learn about fractions and finding $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, $\frac{2}{4}$, and $\frac{3}{4}$ of a shape and a number.

Ways to help at home: Reinforce child's learning by using mathematical vocabulary at home. Practise 2, 5, 10 times tables.

RE

Our topics this term are:

Books: Thanksgiving and Opportunities.

The children will use role play, sequencing and writing to show feelings and demonstrate understanding.

Ways to help at home

Talk to your child about their religious education studies.

PE

Gymnastics (apparatus) and Basketball.

Ways to help at home

Encourage your child to be active.

Music

We will be learning songs for our class assemblies and the Infant music festival.

Computing

The children will continue to make a power point presentation using their topic learning in geography. They will add hyperlinks and learn how to use effects and transitions for their presentations.

ICT: across the curriculum the children will develop their skills.

Ways to help at home

Discuss and practise e-safety and the importance of it with your children. Encourage your child to practise their keyboard skills on a computer.

The Magic Faraway Tree

Topic

Our topic will incorporate literacy, history, science and art and design.

We will be:

-In art and design we will be designing and making our own lands that may visit the Faraway Tree.

-In Literacy the children will be writing sets of instructions as well as character and setting descriptions.

-In science the children will be looking at plants. What do they need to survive? Can they name the different parts of a plant? The children will also be growing and taking care of plants in the classroom.

-In history we will be learning facts about Enid Blyton.

Clc Maths

C-Reading 3d numbers, Partition 2d numbers, Understanding numbers to 20, Counting in 50s, 500s, 5000s, 1/2s

Learn Its - $5+4=9$, $5+6=11$,
 $6+7=13$, $8+7=15$, $8+9=17$

I-add 100s, Double 2d numbers, I know half of 30,50,70,90, Number bonds to next 10 eg $26 + 4 = 30$

C- Solving 2d-1d, 3d-1d, using objects to share and solve division number sentences.
