

## Topic: Rivers

Complete 5 of the homework options.  
This project is to be handed in by: 2nd April 2020

Write an adventure story or even a poem with a river theme. Maybe there is a river monster or a creature lurking deep within its depths!

A river's depth relies on rainfall. Make a rain gauge and keep a record of how much rain falls over 3 weeks. Produce a graph or table to show your results.

Produce a fact file (this could even be a PowerPoint) on 3 world rivers. Include as many interesting facts as you can.

Label the longest river in each continent on a map of the world (include the measurements too).

Create a word search containing the names of many rivers of the world.

Look for and present or create a healthy recipe for a delicious fish dish. Remember—it has to be a fish that lives in a river! House points if you prepare it!

Using the tune of a well-known song of your choice, make up your own river song.

Draw or paint a picture of a river scene. You could use water colours or any medium you choose. House points if you include a vanishing point!

Free Choice box.
