GADGET SHOP

During Science week (9-13 March), at break times and after school, children will have the opportunity to purchase many science activities. These will range in price from 50p to a maximum of £2.50. They are items linked to the National Curriculum and encourage children to deepen their knowledge of science topics through play. All money raised will come straight back to school and be used to buy invaluable resources. Come and support our school and have fun!
